Dear Behavioral Health Providers:

The Office of Child and Family Services (OCFS) wants to thank all of you for your ongoing commitment to Maine's children and families, both now and throughout the year. We are at a critical point in the COVID-19 crisis and need your help, more than ever, to weather this storm.

The Office of MaineCare Services (OMS) has provided guidance on using telehealth during the COVID-19 crisis as well as how to handle signatures on documents:
